Book Review. Henry Pelling wrote the book, A Short History of the Labour Party. This book talks about the rise of the Labour Party from the beginning foundation up to Tony Blair's second term as Prime Minister. It describes the events that led to the beginning of the party, the role of the trade unions within the party.

[The History of the Labour Party | History Today](#)

As class politics appears to be less relevant in British society now with the structural decline of the large industries and their blue-collar workers along with the waning of trade union power we have recently been reminded in Martin Pugh's iconoclastic Speak for Britain: A New History of the Labour Party (2010) that Labour never truly became the party of the working class; it [A Short History of the Labour Party: Amazon.co.uk: H ...](#)
