A Woman in Berlin could be a figment of a historian's imagination; so neatly and thoroughly does it satisfy curiosity about a moment in time. The anonymous journal of a thirty-four-year-old German journalist, *A Woman in Berlin* documents the final days of the Second World War, when Soviet troops took

[A Woman in Berlin \(A Wartime Diary of the Russian ...](#)

A Woman in Berlin is an amazing and essential book. Originally written in shorthand, longhand and the author's own code, it is so deeply personal that it becomes universal, evoking not only the rapes of countless German women in 1945 but also the rape of every anonymous woman throughout war history - the notion of women as

booty.
