Re: regex question: matching a repeatable pattern? - perl ...
regex question: matching a repeatable pattern? Hi folks, After consulting with the Owl Book (Mastering Reg. Ex), I still can't figure out how to do this -- I hope someone here can help: I have a file including some ISSN's mixed with other data; I'd like to be able to look at a line of data and just extract the ISSN's, regardless of how many

What are the best books for learning Perl? - Quora

It may not be the best book if you are not already a programmer so the recommendations for "Learning Perl" are likely the place to start in that case. I also like the book "Higher order Perl" Higher-Order Perl mentioned by another poster, but it is definitely NOT for beginning programmers and not the best introduction to Perl for most people.

What's the best online source to learn Perl? - Stack Overflow

Perl is in a state of (comparatively) rapid change, and has gotten into the position where the best documentation beyond a basic introduction to Perl 5 -- the current major version -- is the electronic documentation which comes with the language itself.

Programming pipes to and from another program - perl.beginners

Web resources about - Programming pipes to and from another program - perl.beginners Mercury (programming language) - Wikipedia, the free encyclopedia 11.07.2 (August 3, 2012 ; 2 months ago (2012-08-03)) Mercury is a functional logic programming language geared towards real-world applications.
