Learn More about the Book. Don't face reality. Create reality! "E-Squared" could best be described as a lab manual with simple experiments to prove once and for all that reality is malleable, that consciousness trumps matter, and that you shape your life with your mind.

E-book - Wikipedia

An electronic book, also known as an e-book or eBook, is a book publication made available in digital form, consisting of text, images, or both, readable on the flat-panel display of computers or other electronic devices. Although sometimes defined as "an electronic version of a printed book", some e-books exist without a printed equivalent.

My Book and Windows 10 - WD Community

Just purchased a My Book and it does not work with Windows 10. Is there a fix? When will there be a fix? I don't want a workaround. How long has the Windows 10 been around for WD to integrate their products with this operating system - answer is quite awhile.
