The Book of Black Magic: A.E. Waite ... - Amazon

There is Black Magic in this book but its not what really gives it a value. I found the 'art' to be fascinating and the simplicity of performing the rituals, compared to the outstanding results was breathtaking. If you're a practitioner of ANY kind of magick, buy this immediately.

What is the best black magic book? - Quora

If you convince me you have cured my congestion, I will produce fewer stress hormones, and that may result in my congestion actually lessening to some degree. Conversely, if you convince me that you know Black Magic, and if you convince me that you have cursed me with, say, clumsiness, I may in fact act more clumsily than usual.
