Governance | Borders in Globalization

Current Research Projects. Recently borders have come to be understood as not so much the hard territorial categories they were once assumed to be in international relations, but something much more complex - vacillating, unpredictable, volatile, even.

Border Governance and the "Unruly" South - Theory and ...

Though 9/11 tightened borders against hard threats, why were soft threats able to create havoc in the cracks? The studies explored by the contributors of this volume lead to the conclusion that the state is not, and should not be, the only viable actor in successful border governance.

Border Governance and the "Unruly" South: Theory and Practice eBook: I. Hussain: Amazon.ca: Kindle Store

Post-Modern Borders: Governance | Borders in Globalization

Post-Modern Borders: Governance The emerging principle that guides contemporary governance is no longer spaces of places, i.e., territories but spaces of flows. More non-state actors are engaged in border related activity and management, so governance has become layered and complex, with differing governance in different locales, regions, bi-national contexts and various parts of the world.

Border Governance and the "Unruly" South eBook by ...

Though 9/11 tightened borders against hard threats, why were soft threats able to create havoc in the cracks? The studies explored by the contributors of this volume lead to the conclusion that the state is not, and should not be, the only viable actor in successful border governance.

Border governance and the unruly south : theory and ...

Consisting of eight border-defying case studies (elite networking, languages, political refugees, diasporic dynamics, drug organizations, migration, and cross-border comparisons), the volume finds the state retreating, multi-centric governance opportunities blooming, and illegal flows breaking borders faster than state policy prescriptions—all explained by turbulence theory (Rosenau 1997) rather than traditional theories (realism and liberalism).
