[China Lost 14 Million People in World War II. Why Is This ...](#)

A new book, *Forgotten Ally: China's World War II, 1937-1945*, by Oxford historian Rana Mitter, aims to sharpen this fuzzy picture by presenting the Middle Kingdom's eight-year war against an invading Japan a war that had been under way more than two years before the Nazis invaded Poland, which is the usual starting point for histories of World War II.

[What was China's role in WWII? - Quora](#)

Originally Answered: What was China's role during the second world war? I think this is a good idea because many people do not know China's situation during the war of resistance. As far as I know, China had already fought with Japan in 1931, and the September 18, 1931 incident

was a landmark event.

China declares war on Germany - HISTORY

On this day in 1917, as World War I enters its fourth year, China abandons its neutrality and declares war on Germany. From its inception, the Great War was by no means confined to the European
