What are some Chinese websites where I can read free e ...

The site is in Chinese, but if you can't read Chinese, you should still be able to figure out how to use it. When you go to the site, you'll see a search box in the top-right corner. After you type in a book name, author name, or keyword, you'll get a list of matches. If you click on a match, a new page with a 50-page preview of the book will open. (For some types of files, a preview is not
