While the 1930 Convention intended to mark the suppression of forced labor practices, various exemptions meant that many coercive labor practices continued in colonial territories. Focusing on East Africa and the Kenya Colony, this book shows how the colonial administration was able to exploit the exemption clause for communal labor, thus ensuring the mobilization of African labor for infrastructure development.

Communal work - Wikipedia

Communal work is a gathering for mutually accomplishing a task or for communal fundraising (for example through a knitting bee). Communal work provided manual labour to others, especially for major projects such as barn raising , bees of various kinds, log rolling, and subbotniks .
