"Contested Modernities is a wonderfully diverse collection of essays ranging in topic from the literature of the Republican era, to post-Mao fiction, theater, and film, to theater and film in Taiwan, to diaspora literature—that will further expand the ever-shifting boundaries of Chinese literary modernity. Some of the essays explicitly question conventional definitions of modern Chinese literature by diagnosing how and why those definitions came to be. Others, by drawing attention to new

This book is a significant gathering of ideas on the subject of modern Chinese literature and culture of the past several years. The essays represent a wide spectrum of new approaches and new areas of subject matter that are changing the landscape of knowledge of modern and contemporary Chinese culture: women's literature, theatre (performance), film, graphic arts, popular literature, as well as literature of the Chinese diaspora. These phenomena and the approaches to them manifest
