[Cummins C Series Diesel Engine Injection Pump Removal](#)
The Cummins C inline 6 diesel engine is still running around the country and a very popular model. It's an 8.3 Liter and similar to the 5.9L. The main reason for it's popularity is the 100% mechanical features in it's design. There is an air fuel ratio control but no emission controls that started with the 2007 engines. This engine came to our fleet starting in the mid nineties and they
