H.R.H. Danielle Steel

From the splendor of a prince's palace to the chaos of war-torn nations, Danielle Steel takes us into fascinating new worlds. Filled with unforgettable images and a remarkable cast of characters, H.R.H. is a novel of the conflict between old and new worlds, responsibility versus freedom, and duty versus love.

H.R.H. by Danielle Steel

It was my first Danielle Steel book, and I still do not know what to think. The storyline was great and really interesting. With Christianna who is a princess travels to Africa to help with the Red Cross she finds herself and befriends the people there. She then returns home to a life of duty until tragedy strikes and her duty has intensified. Make sure to grab a box of Kleenex before you sit.
