Day trading - Wikipedia

Pattern day trader is a term defined by the SEC to describe any trader who buys and sells a particular security in the same trading day (day trades), and does this four or more times in any five consecutive business day period. A pattern day trader is subject to special rules, the main rule being that in order to engage in pattern day trading in a margin account, the trader must maintain an

The Day Trading Game

The Day Trading Game - no, it's not a new reality TV show yet. But, using the game concept creates a solid framework for getting started as a day trader. I've organized this site around this idea. But, using the game concept creates a solid framework for getting started as a day trader.

Day Trading for Beginners - 10 Strategies | Online Trading ...

Day trading got a bad reputation in the 1990's when many beginners began to day trade, jumping onto the new online trading platforms without applying tested stock trading strategies. They thought they could "go to work" in their pajamas and make a fortune in stock trades with very little knowledge or effort. This proved not to be the case.
