What are democratic institutions? - Quora
Democratic institutions must serve the entire population of a country with equality under the law. The rule of law is only democratic if it includes equality under the law. Autocratic and oligarchic governments might have the rule of law but do not qualify for democracy because they fail to fully ensure equality under the law.

Turkmenistan is a democratic country on papers but the inside stories tell an entirely different tale. The government's representatives do not act in public interest. It is popularly known as an autocratic-democracy. Most of its population is impoverished. It is called one of the most repressive countries in the world by Human rights watch as the President and his family maintains an
