Dream Dark (Caster Chronicles, #2.5) by Kami Garcia
Dream Dark is a mini-novella centering on Lin. This mini-novella packs a wallop of a punch because it is full of mystery, laughs and the awesomeness that is Linkcubus. I adore this series for it's Gothic feel and beautifully descriptive writing for it conjures up the most vivid imagery and makes you feel like sipping sweet tea while biding out in your closet.

My review: Dream Dark is a short novella, but an integral part of the Beautiful Creatures series. This series focuses largely on Link, Eihan's best friend whom I love. The forward motion of the series-level plot doesn't advance too much, the focus being on Link and his story. But learning about Link was more than sufficient!
