Law & Economics, Third (3rd) Edition: Books - Amazon.ca

Law and economics is a branch of jurisprudence that aims to frame legal questions in terms of economic efficiency. While some maintain that legal questions can purely be reduced to economic ones, Cooner and Ulen take - rightly, in my view - the more conservative stance that economics can describe at least part of the legal question.

Economics 3d Edition on DVD is an easy way to learn a particular relevant subject in todays world. The only reason that I didn't give it five stars is the DVD was done about ten years ago. While most of the material is still relevant I would have enjoyed hearing what he thought of the crash of 08/09 and the subsequent recovery.
