What Is the Importance of Elections in Democracy ...
What Is the Importance of Elections in Democracy?

Without elections, democracy isn't based on the wants and needs of the people. It turns into another type of government where decisions are made by one person or a group of person based on their own motivating factors.

What is the Importance of Elections in Democracy ...

Elections are of utmost importance in any Democratic country. As we all know, democracy is defined as a government of the people, for the people and by the people. Such governments, as in the ancient city states of Greece, can be formed with the people directly participating in them.

The European Union and democratization in Ukraine

...

The EU (and other actors, to be sure), not willing to throw in the towel and admit, among other things, that years of effort and billions in aid did little to produce democracy, clung to the notion that Ukraine possessed some democratic elements, was not as bad as some of its neighbors, and could, with new elections, make a real breakthrough.
