European Higher Education Policy and the Social Dimension ...

The Bologna Process has significantly shaped recent higher education policies across Europe but the impact of the social dimension has been neglected. This book provides an overview of the major Bologna reforms and through a cross-country comparative study discusses whether this social aspect can ever successfully be incorporated into policy.

Social dimension - European Higher Education Area and ...

The social dimension plays an important role in enhancing the attractiveness and competitiveness of the European Higher Education Area (EHEA). The EHEA aims to widen overall access and increase participation and completion of underrepresented groups in higher education, according to the diversity of the national populations. In its turn, widening access to quality higher education is viewed as **European Higher Education Policy and the Social Dimension ...**
