[How to Make Rubber Band Bracelets - Without the Loom ...](#)

Without the stress of trying to hold a rubber band in place, my sons started to enthusiastically string the rubber bands together, and it took less than 10 minutes to complete each bracelet. After working with me to create a couple of bracelets, my older son got the hang of it and started doing them completely on his own.

Easy Art Projects for Kids: Rubber Band Art. April 8, 2014 by Ana Dziengel 5 Comments. Tweet. Share 2K. Pin

24K, 26K Shares. We're back with the fourth installment of the easy art projects for kids series. This week my fellow bloggers and I are exploring string art! Because I'm sort of a rubber band nut I decided to interpret the theme as rubber band art. And because I got a little carried away I decided to share with you all **How to Make a Rubber Band Ball: 8 Steps (with Pictures) ...**

To make a rubber band ball, start by folding a short, thick rubber band in half, then in half again, then a third time until you have a flat "stack" of rubber. Pinch the thick stack flat, then twist and wrap a thinner rubber band around it until there is no more slack in the thin band. Criss-cross 2 rubber bands over the core to hold everything in place, then start layering on rubber bands.
