Peace Agreement - peacemaker.un.org

the Council as its implementing agencies to ensure that peace and development projects and programs are effectively accomplished. Based on the foregoing, the following agencies or entities will be placed under the control and/or supervision of the SPCPD, to wit a. The Southern Philippines Development Authority (SPDA) may be attached to the SPCPD and be placed under the latter's direct

Peacekeeping - Wikipedia

Experiences of peacekeeping during the Yugoslav Wars, especially failures such as the Srebrenica Massacre, led, in part, to the United Nations Peacebuilding Commission, which works to implement stable peace through some of the same civic functions that peacekeepers also work on, such as elections.

Implementing Mali Peace Accord Only Way Forward, amid ...

Underscoring the importance of implementing the Agreement, he said national authorities must undertake political primacy, adding that the United Nations could only facilitate support for peace; in

Implementing Peace Agreements: Lessons from Mozambique ...

This book critically investigates the conditions facing the warring parties during the implementation of the peace agreements in Mozambique, Angola, and Liberia. The successes and failures in these three countries highlight the incentives available to mediators and the international community to

Colombia: The rise in attacks against human rights ... challenge in implementing the Peace Agreement. In a country in transition towards peace, violence against

people who defend human rights cannot be allowed to continue. Since the signing of the Peace Agreement in November 2016, there has been an increase in threats against and killings of human rights activists in Colombia, including people in social leadership positions. The limited measures

Project MUSE - Implementing Peace Agreements: Lessons from ...

This important question is the subject of *Implementing Peace Agreements: Lessons from Mozambique, Angola, and Liberia*. The author considers the conditions under which peace settlements are likely to hold and argues that parties will advance the implementation process only when there is mutual vulnerability—a sense that military or political concessions made by the warring factions are equal.
