Human Rights and Intervention in the Rwandan Genocide Human rights are known as inalienable fundamental rights to which a person is inherently entitled to simply because he or she is a human being .

[Rethinking Western Intervention and Human Rights](#)
[World ...](#)

Western human rights organizations should advocate for the expansion of the council to facilitate a more inclusive and comprehensive range of human rights definitions and paradigms, in turn re-orienting the mission of the Council. The perspectives and historic experiences of emerging countries such as India, Brazil and South Africa must be seriously considered. In essence, these new perspectives will change the terms of the current discourse on and timing of military intervention, and

[of ...](#)

Western Europe has long embodied the ideal observance of human rights standards. A profound challenge was created, however, by the abrupt post-1990 expansion of memberships in its regional institutions with states from central Europe eastward to Russia.

Human Rights in Europe | The Danish Institute for Human Rights

Human rights, democracy and the rule of law principle are some of the European Union's (EU) core values. They were embedded in the original treaty and have since been strengthened by the adoption of a charter on fundamental rights.

Does Humanitarian Intervention Serve Human Rights? The ...

One concern, in particular, has to do with the legality of interventions in the name of human rights under the Law of the Use of Force and creates a tension between the prohibition on the use of force and the protection of human rights.

Intervention for Human Rights in Europe | Janne Haaland ...

Values, in terms of human rights and democracy, have become important factors for individual state's participation in the international community. Janne Haaland Maffry, former Secretary of State in the Department of Foreign Affairs, Norway, explores the ethical and moral conflict between the
