#### **James Baldwin - Wikipedia**

James Arthur Baldwin (August 2, 1924–December 1, 1987) was an American novelist and social critic. His essays, as collected in *Notes of a Native Son* (1955), explore intricacies of racial, sexual, and class distinctions in Western societies, most notably in mid-20th-century America. Some of Baldwin's essays are book-length, including *The*

#### **James Baldwin - amazon.com**

James Baldwin (1924-1987) was a novelist, essayist, playwright, poet, and social critic, and one of America's foremost writers. His essays, such as "Notes of a Native Son" (1955), explore palpable yet unspoken intricacies of racial, sexual, and class distinctions in Western societies, most notably in mid-twentieth-century America.

A national bestseller when it first appeared in 1963, *The Fire Next Time* galvanized the nation and gave passionate voice to the emerging civil rights movement. At once a powerful evocation of James Baldwin's early life in Harlem and a disturbing examination of the consequences of racial injustice, the book is an intensely personal and provocative document. It consists of two "letters," written **READ ONLINE FREE books by James Baldwin.**

James Baldwin is one of my two favorite essayists, along with George Orwell, which is kind of strange because they are very different writers. Orwell is of course known for the simple and direct style that he evangelized for, while Baldwin tends to be more baroque and elliptical (though not to e
