A job appraisal form, also known as a staff appraisal form, is an assessment or evaluation of the employees performance. This is usually done annually but for other business companies, they would rather do an assessment of the employee regularly, sometimes monthly or even weekly. This is to make sure that each of their employees are in good shape with regards to their progress and

Job Descriptions as Performance Appraisal Forms The Ideal ...

Performance appraisal may well be the most despised management process around, and often for very good reasons. Most performance appraisal forms are only marginally relevant to an employee's job, and the results of the process itself yield very little perhaps a token difference in a raise.
