Yann Martel: Life of Pi - scollingsworthenglish.com
life of pi A NOVEL author's note This book was born as I was hungry. Let me explain. In the spring of 1996, my second book, a novel, came out in Canada. It didn't fare well. Reviewers were puzzled, or damned it with faint praise. Then readers ignored it. Despite my best efforts at playing the clown or the trapeze artist, the media circus made no difference. The book did not move. Books lined the shelves of bookstores like kids standing in a row to play.
