Managing Human Resources - Harvard Business Review

Human resources management seems to be mostly good intentions and whistling in the dark or averting unionization. And the results of the 1970s suggest that we may not even be holding our own.

HUMAN RESOURCES MANAGEMENT - free-ebooks.net

Human resource management the management of the people and the staff policies and practice that enable an organization to carry out its work. This affects staff from the moment an individual contacts the organization in response to a job advertisement, to the time they leave the organization. Human resource management is about enabling staff to use their qualities in order to fulfill their
