Also, in the folders shown in the table, all files that have the .gif or .jpg extension are renamed to .bmp. Next, the contents .txt, .doc or .rtf files are replaced with the following text:

Ecology and Society: Mechanisms of Resilience in Common ...

The new realities of water management in the Amudarya River basin created by the recent ongoing political and economic changes have lead to the introduction of some bottom-up management elements such as water user associations into the otherwise top-down managed system (Yalein and Mollinga 2006).

Draft proposals for a consistent approach to SuDS asset ...

approach by using alpha numeric values (0a through to zz) which provides over 1200 potential references for each 100m grid. Recommendation All SuDS points of relevance inlets and outlets would be given a node with an STC25 ID. The ID would not have a value which indicates that it is a SuDS unit. The whole SuDS unit would also be given a separate point in space (the SuDS unit centroid) with an translate values - Tech
