Introduction, Marxist Ethics within Western Political ...

Abstract. Marxist Ethics within Western Political Theory uncovers, through intellectual history and abstract philosophy, a specific tradition of Marxist ethics within the context of key debates in the history of Western political theory, and both builds upon and contrasts it with earlier excavations of Marxist ethics.

Marxist Ethics within Western Political Theory: A ...

The reference to Marxist ethics in the title of the book reflects Fischer's unapologetic support for the importance of ethics, justice and morality in Marxism. He goes so far as to say that it is only through ethics that Marxist class theory can take its proper place within the story of Western political theory (16). Given the multitude of original contributions Marx made to
