[Economic anthropology - Wikipedia](#)

Economic anthropology is a field that attempts to explain human economic behavior in its widest historic, geographic and cultural scope. It is practiced by anthropologists and has a complex relationship with the discipline of economics, of which it is highly critical. [1] [New Economics Foundation - Together we can change the ...](#)

There has never been a greater need for a new economy. The New Economics Foundation exists to make it happen. We work with people igniting change from below and we combine this with rigorous research to fight for change at the top.
