Party system - Wikipedia

IV system (2000s): rise of a relatively stable and modestly concentrated party system, organized on a left-right dimension, including post-communist parties.

Fragmentation did not rise again after the fall of many social-democratic parties from government.

Politics of the Soviet Union - Wikipedia

The new communist government of the Soviet Union faced alarming problems, such as extending practical control beyond the major cities, combating counter-revolution and opposing political parties, coping with the continuing war and setting up a new economic and political system.

Party Systems in Post-Soviet States: The Shaping of ...

Party Systems in Post-Soviet States: The Shaping of Political Competition ROSTISLAV TUROVSKY Department of Political Science, Moscow State University, Russia ABSTRACT Theories of democratic transition now seem to be outdated as most post-communist regimes have passed their points of bifurcation and can be considered either consolidated democracies or autocracies. However, some kind of

Post-Communist Party Systems by Herbert Kitschelt

Post-Communist Party Systems examines democratic party competition in four post-communist polities in the mid-1990s: Bulgaria, the Czech Republic, Hungary, and Poland. Legacies of pre-communist rule turn out to play as much a role in accounting for differences as the institutional differences incorporated in the new democratic rules of the game. The book demonstrates various developments

Analyzing the Dynamics of Post- Communist Party Systems

Analyzing the Dynamics of Post- Communist Party Systems: Some Final Thoughts on parties, party systems,

political alignments, issue dimensions, volatility. The literature on the development of party systems in post-communist Central and Eastern Europe has basically revolved around four topics, three of which are represented in this issue, and maybe there is a fifth topic emerging soon.

The influence of European integration on Party Politics

stability and party systems in the post-communist space and exploring how the process of European integration influences the development and consolidation of party systems in the three former Soviet republics.
