[Patternmaking for Fashion Design \(5th Edition\): Helen ...](#)

This book is a good comprehensive guide to making patterns. There is a lot of information in this book and it's well worth the money. Even if you are a DIYer you will find this book highly useful. The instructions for drafting the basic patterns (bodice, pants, sleeve, skirt) are easy to follow. The book does go into details about precise measurements as well as standard measurements.

[Patternmaking for Fashion Design by Helen Joseph-Armstrong](#)

This is an extremely comprehensive book on patternmaking. It gives you instructions to draft almost anything you could ever want to make. This is the textbook for the patternmaking classes for my fashion program, and it was a good complement to the course, but on its own I believe it would be confusing.
