Licensing Classifications - Contractors State License Board

A plumbing contractor provides a means for a supply of safe water, ample in volume and of suitable temperature for the purpose intended and the proper disposal of fluid waste from the premises in all structures and fixed works.

Plumbers versus Plumbing Contractors: What's the Difference?

A plumbing contractor deals almost exclusively with new constructions, remodeling, and renovation, handling the plumbing tasks that involve the home's water supply, septic system, etc. Most small plumbing companies in your area are likely owned by a plumber who may also be a plumbing contractor.
