The relationship between economics and politics ...
Politics is the theory and practice of influencing people through the exercise of power, e.g. governments, elections and political parties. In theory, economics could be non-political. An ideal economist should ignore any political bias or prejudice to give neutral, unbiased information and recommendations on how to improve the economic performance of a country.

TOP 25 POLITICS AND ECONOMICS QUOTES | A-Z Quotes

Political economy regards the proletarian like a horse, he must receive enough to enable him to work. It does not consider him, during the time when he is not working, as a human being. It leaves this to criminal law, doctors, religion, statistical tables, politics, and the beadle.
