[How To Make an App \(Updated for 2018\) - Code With Chris](#)

Thousands of people have gone through this guide on how to make an app and given me praise for publishing it! Programming can be self-taught and yes, you can start your own career in iOS development even if you don't have a formal background. Many of my students have done exactly this! It's probably the single greatest thing I love about my field: that merit is based on your
