European Economic Community countries.

**The European Monetary System: progress and
prospects ...**

The European Monetary System (EMS) came into
existence in March 1979. It was only when the exchange
rate stability of the Bretton Woods system began to
disintegrate in the late 1960's and early 1970's that the
need for a separate Community monetary arrangement
became a pressing issue.

[European Monetary System - Wikipedia](#)

European Monetary System (EMS) was an arrangement established in 1979 under the Jenkins European Commission where most nations of the European Economic Community (EEC) linked their currencies to prevent large fluctuations relative to one another.

[European Hockey Option | Total Sport Management, LLC](#)

One of the advantages that TSM has available for our players is a network in Europe of players, coaches and general managers. TSM can help secure good contracts for

our players-clients on European clubs, in various leagues and countries, including the lucrative elite leagues.

Prospects for the European Monetary System | SpringerLink

The papers in this volume were presented at a conference on "The EMS, Ten Years Later" at the University of Bergamo, Italy, May 1989. They look at the history of the EMS, the reasons underlying the successes attributed to it, the problems it created, and its future.
