Edmonton Radio Control Society - Home

The Edmonton Radio Control Society (ERCS) was formed in 1959 with the goal of providing safe and enjoyable flying facilities for the sport of flying radio controlled aircraft. Whether you are into nitro, gas, or electric, you will find pilots that share your interest. The club offers ground school and in-flight training for new pilots at no cost. **Fast Electric powered flying wing Zagi style 100MPH**
A radio-controlled electrically-powered model flying wing aircraft having a pusher propeller at the rear wing root powered by an electric motor mounted in a streamlined electric motor housing that extends into the wing and blends smoothly into the wing surface at the center wing chord.

Hobby RC Airplane Flying Wings | eBay

RC Hobbyking SkyRay Flying Wing FPV Model 1213mm EPO (Kit) ID:954000012-0. Predictable behaviour and good lift characteristics are the key to any model and the 1213mm swept reflex wing provides for this while allowing the SkyRay to be agile enough to make a great looking sport model too.
