[Is the book "and then there were none" a good appropriate ...](#)

My teacher is asking us to suggest books to read and well I heard that and then there were none was a good book so I looked it up. But im not sure if its a book that is suitable for school because of of the racists title or something (in word, yeah) Also i haven't read it i only read a brief summary and it creeped me out a bit. So is
