Separation of church and state in the United States ...

"Separation of church and state" is paraphrased from Thomas Jefferson and used by others in expressing an understanding of the intent and function of the Establishment Clause and Free Exercise Clause of the First Amendment to the United States Constitution which reads: "Congress shall make no law respecting an establishment of religion, or

[Religion State And Society PDF Online Download](#)

The study shows that government involvement in religion is ubiquitous, that it increased significantly during this period, and that only a minority of states, including a minority of democracies, have separation of religion and state. These findings contradict the predictions of religion's reduced public significance found in modernization and secularization theory. The findings also

Given the current state of affairs it's hard to say that

religion is a positive force in today's world. Humanity appears to have the capability to finally transcend all tribal differences and merge into a single global community-- which would usher in an era of unprecedented harmony and cooperation--but religion stands militantly in the way. **Why We Should Debate Religion and Politics More, Not Less ...**

As a matter of fact, on National Religious Freedom Day, it just might be as important as ever to consider the true meaning of church/state separation and religious freedom. **Separation of church and state - Wikipedia**

The separation of church and state is a philosophic and jurisprudential concept for defining political distance in the relationship between religious organizations and the nation state.

Religion, State and Society - scimagojr.com

Religion, State & Society has a long-established reputation as the leading English-language academic publication focusing on communist and formerly communist countries throughout the world, and the legacy of the encounter between religion and communism. To augment this brief, Religion, State & Society has now expanded its coverage to include religious developments in countries which have not
