[Starting a School Garden Program: Overview - Kidsgardening](#)

Goals of school garden programs often include: Providing opportunities for hands-on learning, inquiry, observation and experimentation across the curriculum . Although science and nutrition are the focus of many garden programs, curriculum ties can also be made to the subjects of language arts, math, science, social studies and art. [Whole Kids Foundation Canadian School Garden Grants](#)

[Whole Kids Foundation Canadian School Garden Grants](#), F2CC admin, English, Farm to School, Funding, Stories from the field, Canada, 0 . At Whole Kids Foundation, we believe that if you give kids good choices, they will make good choices. And if you help them plant a seed, it will ignite in them a curiosity for fresh food for a lifetime. Stated simply: if kids grow food, they are more likely to. [In-School Education Programs - School Garden Project of ...](#)

[In-School Education Programs](#) School gardens are unique, educational venues that promote hands-on learning, a healthy lifestyle, and a connection to the environment. School Garden Project's staff lead high quality 10-week education programs integrating standards-based academic activities, garden work and tasting fresh produce. School Gardens - Growing Minds

Growing Minds trains individuals to establish farm to school gardens and to integrate gardening into state and national curriculum. We emphasize how to sustain a garden program by involving community partners, such as parents, farmers, college students, and agricultural professionals. [Students \[\]](#)
