Smoke obscures objects on the edge of our vision. A mirror may reflect, but the eye sees what it wants. A delicate scent can evoke another time and place, a memory from the past. And a sentence can deceive you, even as you read it. To ask other readers questions about Smoke and Mirrors, please sign

#### Gotye - Smoke And Mirrors

But it's always been a smoke and mirrors game  
Anyone would do the same  
So now that you've arrived well you wonder  
What is it that you've done to make the grade  
And should you do the same? (Is that
