OMG! This book was really goood!!!I was reluctant to read another dystopian after the disaster with Divergent, but this book was something I really needed after those 'heavy but 3 stars' books!This book is about Ember, a city of darkness which is running out of its resources.

The City of Ember Summary - Shmoop

This stuff is a big deal because Ember is surrounded by darkness, and there's no way out of the city nowhere to go if the lights fail or the food runs out. Yeah, this is not good. Yeah, this is not good.
