[Globalization : The Coming Of Globalization - 2188 Words ...](#)

The coming of Globalization: The term globalization has been increasingly used since the mid-1980s and especially since the mid-1990s. To understand the features behind the word Globalization, we shall draw on the help of definitions provided to us: the multiplicity of linkages and interconnections that transcends the nation states (and by 14 Main Advantages and Disadvantages of Globalization ...

The advantages and disadvantages of globalization have been discussed in a vigorous debate. There are those who defend the benefits related to the freedom that this fact brings and those who believe that it is detrimental to the cultural integrity. The globalization is defined as the means through which certain values, beliefs, ideas
