The cure for anything is salt water - sweat, tears, or the sea. (Isak Dinesen) The weeks following the hurricane were sleepless and draining trying to lend support, but I knew the work we were doing was making a difference, even if just one donation at a time or one family visited at a time.

The Cure For Anything Is Salt Water

Hehe. A lot of pressure with school and editing lately, so it was good to get a day away from everything. Had a blast & I hope you guys enjoy the video so much, because it was REALLY great to get

Why is salt water the cure for everything? - Quora

Salt water or Saline solution is not a cure for everything, not even close to that. Hospitals use an intravenous sodium chloride solution to supply water and salt to the body to alleviate dehydration. Saline drips are mostly water with small amount

The Water Cure: What it is and What it Does.

The Water Cure is a natural health care or holistic treatment that helps your body find homeostasis (its natural balance) so that you can have your optimal (best) health. It is the first of several important steps you need to do to correct things that may be causing you to have various diseases and conditions.
