Timeline, 1789: grants the states the power to set voting requirements. Generally, states limited this right to property-owning or tax-paying white males (about 6% of the population).

History Of Elections - duvalelections.com

History Of Elections, Early Voting in Ancient Greece . Since approximately 508 B.C., Ancient Greece seems to have implemented the earliest form of democracy. Greeks had a "negative" election -- that is, each year voters, who were the male land owners, were asked to vote for the political leader or "candidates" they most wanted to be exiled for the next ten years. The early ballot system was

Voting - Wikipedia

Voting is a method for a group, such as a meeting or an electorate, in order to make a collective decision or express an opinion, usually following discussions, debates or election campaigns.

Voting - MacTutor History of Mathematics

The history of voting. Alphabetical list of History Topics: History Topics Index. If we have two candidates A and B and one of the two is to be elected by a vote, then there is a fairly obvious system. Voters cast a vote for either candidate A or a vote for candidate B. However if votes were to be cast for a larger number of candidates then there was a question of how it should be done. For
