The Immortal Rules, Book by Julie Kagawa
(Paperback ...

The Immortal Rules, Julie's first book in her new Blood of Eden series, is a gripping story told from the perspective of a newly Turned vampire determined to hang on to her humanity in a world where basic survival is the only goal. Allison (Allie) Sekemoto begins the story as a human, barely surviving on the fringe of a society ruled by vampires and where humans are ultimately their food. The Immortal Rules (Blood of Eden, #1) by Julie Kagawa

The Immortal Rules has got to be one of the best vampire books out there. I mean it was unique yet it still managed to stay true to the original concept of vampires. I don't hate sparkly vampires because they introduced me to the YA genre but the vamps here in Immortal Rules were bad, fierce and I love it. I seriously adore it.

The Immortal Rules is the first book in Julie Kagawa's new series Blood of Eden. I absolutely adored her Iron Fey series and feel she is off to a great start with this novel. Julie's world-building and character development amaze me. Her worlds are always imaginative but, somehow, still realistic. Her protagonists are strong-willed, both mentally and physically, but also humanly flawed.

Book Review: The Immortal Rules (Blood of Eden #1) Well, The Immortal Rules completely and utterly blows the Iron Fey series away. This book is a long read (over 450 pages) but it doesn't feel that way. I finished it in about three hours I'd say.

The Immortal Rules by Julie Kagawa - Books on Google Play

The Immortal Rules - Ebook written by Julie Kagawa. Read this book using Google Play Books app on your PC, android, iOS devices. Download for offline reading, highlight, bookmark or take notes while you read The Immortal Rules.

The Immortal Rules: Blood of Eden, Book 1 - Audiobook ...

The Immortal Rules: Blood of Eden, Book 1 (Unabridged) audiobook, by Julie Kagawa In a future world, vampires reign. Humans are blood cattle. And one girl will search

for the key to save humanity. Allison Sekemoto survives in the Fringe, the outermost circle of a vampire city. By day, she and her crew scavenge for food. By night, any one of **The Immortal Rules (Audiobook) by Julie Kagawa | Audible.com**

After finishing The Immortal Rules, I think I might like the Blood of Eden series better than the Iron Fey. The post-apocalyptic take on the YA vampire concept is an interesting and refreshing spin. The heroine is smart and tough. There is action and suspense. This is nothing like Twilight, and that's a good thing.

The Immortal Rules: Julie Kagawa: 9780373210800: Books ...

That's the world of "The Immortal Rules," the first book of Julie Kagawa's postapocalyptic vampire series. It's very different from her colorful, shimmering faerie books -- this is a dark, bloody, violent story about a world that has crumbled almost beyond recognition, with little hope left.
