The Long Shadow of the British Empire - The Ongoing ...
The Long Shadow of the British Empire is a powerful and moving exploration of Zambian Coloured history and identity. Combining personal family history with deft scholarly analysis of the historical development of a distinct and proud national community, Milner-Thornton pieces together the shards of cultural experience that arose out of the fractured and painful relations of colonialism, to

The Long Shadow of the British Empire - Google Books
This book explores the lived experiences of formerly colonized people in the privacy of their homes, communities, workplaces, and classrooms, and the associations created from these social interactions. It examines the centrality of gender and social identity in the formation of non-western people in the British Empire.
