The Rediscovery of Wisdom is a distinctive and valuable contribution to philosophy, which deserves careful consideration.' - Anthony O'Hear, Professor of Philosophy, University of Bradford - Anthony O'Hear, Professor of Philosophy, University of Bradford

[Rediscovery of Wisdom by David Conway - Goodreads](#) David Conway has written a very interesting book that challenges the way in which philosophy has been approached in recent centuries. He argues that monotheism was a central tenet of 'classical philosophy', citing the examples of Plato and Aristotle - whose influence on the development of Western philosophy has been tremendous. I was lucky to be a young president of Rediscovery going to the place of your ancestors is a deeply emotional experience getting a sense of how your ancestors lived so much beauty in the land. It's a lifelong memory I'll be able to share with children. It's important to take time to reconnect with the places and stories.

The Rediscovery of Wisdom - New Universe Story

The Rediscovery of Wisdom II. The Rediscovery of Wisdom Now that we have some knowledge of the age of the earth and universe and know something of the long story of its unfolding to become what we know today, we can discern what the universe has been up to, its powers and patterns of unfolding.

The Rediscovery of Wisdom - Jet.com

By reconstructing it and tracing its vicissitudes, David Conway rehabilitates a time-honoured conception of philosophy, originating in Plato and Aristotle, which makes theoretical wisdom its aim. Wisdom is equated with possessing a demonstrably correct understanding of why the world exists and has t

Rediscovery.org About

Rediscovery continues to expand and touch the lives and hearts of people all over the world, in profound or subtle ways. Its success is a living tribute to countless people sharing a mission and coming together from many widely divergent communities. For more than two decades the Rediscovery family of camps has modeled ways for people to work together for the benefit of youth, the cohesion of
