The author of this text reminds us that one of the most important debates in American foreign relations is the policy toward China.

**China, The United States, and the Future of Southeast Asia ...**

The United States, historically regarded as the protector of Pacific Southeast Asia consisting of nations such as Vietnam, the Philippines, Myanmar, and Malaysia is now called upon to respond to what many would consider bullying on the part of the Chinese. These and other countries have become the economic and political engine of China.
