(The Japanese, after witnessing the treatment of China by the West and its own experience of near-colonialism in 1853, successfully establish Japan as a competitor with Western powers for colonial rights in Asia and special privileges in China.) China is impressed by Japan's defeat of Russia, a Western power, in the Russo-Japanese War of 1904-05; additional reform efforts follow in China and [The West and China since 1500 \(Book, 2002\) \[WorldCat.org\]](#)

Project MUSE - The West and China since 1500 (review)

This book is a macro-analytical account of the changing relationship between the West and China since the sixteenth century. It divides the history of the five-century Sino-Western cultural, economic, and political interaction into three phases: "coming together, rather slowly and on China's terms (1500-1800)" (chapter 2), "close encounters
