United States Marine Corps History – Marine Corps
United States Marine Corps History, Interim: Civil War to World War I The remainder of the 19th century was marked by declining strength and introspection about the mission of the Marine Corps. The Navy's transition from sail to steam put into question the need for Marines on naval ships.

Marines - Wikipedia

In others, it is a separate organization altogether, such as in the United States, where the Marine Corps falls under the US Department of the Navy, yet it operates independently (and similarly the UK's Royal Marines come under Her Majesty's Naval Service).
