WHY NATIONS GO TO WAR is unique. The reflections of author John G. Stoessinger are built around ten case studies and provide a deep analysis of the root causes of modern war, from from World War I to the modern day. The author's main emphasis is on the pivotal role of the personalities of leaders who take their nations, or their following, across the threshold into war. Students are sure to remember Stoessinger's thoughts on war long after their completion of his book. The new 11th edition

[Why Nations Go to War by John G. Stoessinger - Goodreads](#)

Why Nations go to War was a very good read and certainly gave a lot of insight into various conflicts in the 20th century. there was a chapter at the end of the book that made me view this book with a slightly different perspective. I think it was a pro american take on things. The author was expressing ideas about the futility of war and its devastating effects on most of the lives it touches.

Why Nations Go to War 11th Edition - amazon.com

WHY NATIONS GO TO WAR is unique. The reflections of author John G. Stoessinger are built around ten case studies and provide a deep analysis of the root causes of modern war, from World War I to the modern day.

Why Nations Go To War

War is politics by other means. In other words, when political leaders cannot get what they want through political means, they judge the cost of achieving their goal through military force.

John G. Stoessinger - Wikipedia

An example of this is his work in Why Nations Go to War. In the first section of his novel, *The Iron Dice*, Stoessinger offers an alternative explanation of the causes of World War I, one that includes human reactions and feelings.
